

Catlin Construction & Engineering

Underwriting Appetite

Catlin's Construction and Engineering team underwrites a diverse range of construction-related products on a worldwide basis. We have specialist underwriters located in London, Zurich, Singapore, Hong Kong, Barcelona, Calgary and Toronto who have experience of projects in the following sectors:

- Power
- Major building projects
- Tunnelling
- Mining
- Transportation
- Waste
- Heavy civil engineering projects
- Water
- Renewable energy

Coverage

Catlin can tailor your construction insurance programme to meet the specific project requirements. Coverage can include the following:

- Construction / Contractors All Risks (CAR)
- Engineering / Erection All Risk (EAR)
- Advanced Loss of Profits (ALOP) / Delay in Start Up (DSU)
- Contractors Plant and Equipment (CPE)
- Machinery Breakdown (MB)
- Third Party Liability (TPL)
- Excess Third Party Liability (XSTPL)
- Annual Facilities for Employers and Contractors
- Commercial Project Builders Insurance

Catlin is able to write business on the following basis:

- Quota share
- Excess of loss
- Facultative reinsurance
- Direct
- Treaty

Paul Latimer
Senior Class Underwriter
London

Paul graduated in 1993 with a Master's degree in Civil Engineering, Design and Management from Cardiff University. He began his insurance career with Gan, after which he joined Willis Corroon Construction Risks Limited in 1995. He joined the construction team of JLT Risk Solutions at the end of 1999 to develop non-traditional insurance solutions to sit alongside traditional coverages for contractors and employers. He was promoted to partner in April 2002. Paul joined Catlin in June 2004 as the Class Underwriter for the newly established Construction & Engineering account. He is a graduate member of both the Institution of Civil Engineers and the Institution of Structural Engineers.

Nigel Cooper
Class Underwriter
London

Nigel graduated from Kingston University in 1992 with an Honours degree in Estate Management. From there he began his insurance career with AXA Corporate Solutions (formerly Guardian Royal Exchange), underwriting construction business. In 2002 he joined Zurich Global Corporate developing the construction account, focusing on UK and international construction risks, latterly in the position of UK Team Leader. In May 2007 Nigel joined Catlin as a Class Underwriter in the Construction and Engineering team.
